A PARTNER FOR PROMOTING AWARENESS OF CHILDREN IN NEED

Barrington Children's Charities was founded as a non-profit charitable organization working to improve the lives of children in the Barrington area. Blu Sky created marketing materials for the bi-annual fundraising events, which included email blasts, social media, program booklets, "Voice of the Children" video and more. Thanks to our efforts we've been able to help the organization raise hundreds of thousands of dollars to support their mission.
